Black and White Larry Dane Brimmer

2020-09-22 In the nineteen fifties and early sixties, Birmingham, Alabama, became known as Bombingham. At the center of this violent time in the fight for civil rights, and standing at opposite ends, were Reverend Fred L. Shuttlesworth and Eugene "Bull" Connor. From his pulpit, Shuttlesworth agitated for racial equality, while Commissioner Connor fought for the status quo. Relying on court documents,

police and FBI reports, newspapers, interviews, and photographs, author Larry Dane Brimner first covers each man's life and then brings them together to show how their confrontation brought about significant change to the southern city. The author worked closely with Birmingham's Civil Rights Institute as well as with Reverend Fred L. Shuttlesworth and his wife to bring together this Robert F. Sibert Honor Book, ALA Notable Children's book, and Kirkus Reviews Best Children's Book of the Year.

Political Discourse in Emergent, Fragile, and Failed Democracies Orwenjo, Daniel Ochieng

2016-04-19 Any system of government is comprised of several dimensions of functionality, which must all work in congruence. When any part of the system is dysfunctional, the government's stability becomes fractured and

societal problems can arise. *Political Discourse in Emergent, Fragile, and Failed Democracies* examines the effects of unstable democratic systems of government in modern society, providing an imperative analysis on political communications from such nations. Highlighting real-world examples on the constraints seen in malfunctioning or emerging governments, this book is a pivotal reference source for policy makers, researchers, academicians, and upper-level students interested in politics and governance.

American Jewish Year Book 2020 Arnold

Dashefsky 2022-01-01 *The American Jewish Year Book*, which spans three different centuries, is the annual record of the North American Jewish communities and provides insight into their major trends. Part I of the current volume

contains the lead article: Chapter 1, “Pastrami, Verklempt, and Tshoot-spa: Non-Jews’ Use of Jewish Language in the US” by Sarah Bunin Benor. Following this chapter are three on domestic and international events, which analyze the year’s events as they affect American Jewish communal and political affairs. Three chapters analyze the demography and geography of the US, Canada, and world Jewish populations. Part II provides lists of Jewish institutions, including federations, community centers, social service agencies, national organizations, synagogues, Hillels, camps, museums, and Israeli consulates. The final chapters present national and local Jewish periodicals and broadcast media; academic resources, including Jewish Studies programs, books, journals, articles, websites, and research libraries; and lists of major events in the past year, Jewish honorees, and obituaries. While written mostly by academics, this volume conveys an accessible style, making it of interest

to public officials, professional and lay leaders in the Jewish community, as well as the general public and academic researchers. The American Jewish Year Book has been a key resource for social scientists exploring comparative and historical data on Jewish population patterns. No less important, the Year Book serves organization leaders and policy makers as the source for valuable data on Jewish communities and as a basis for planning. Serious evidence-based articles regularly appear in the Year Book that focus on analyses and reviews of critical issues facing American Jews and their communities which are indispensable for scholars and community leaders. Calvin Goldscheider, Professor Emeritus of Sociology and Ungerleider Professor Emeritus of Judaic Studies, Brown University They have done it again. The American Jewish Year Book has produced yet another edition to add to its distinguished tradition of providing facts, figures and analyses of contemporary life in North

America. Its well-researched and easily accessible essays offer the most up to date scrutiny of topics and challenges of importance to American Jewish life; to the American scene of which it is a part and to world Jewry. Whether one is an academic or professional member of the Jewish community (or just an interested reader of all things Jewish), there is not another more impressive and informative reading than the American Jewish Year Book. “A great read and a fascinating retelling of a long-forgotten murder, that still resonates to this very day... for anybody interested in the history of the Silk City!” –Mark S. Auerbach, City Historian, Passaic, New Jersey At the dawn of the 20th century, the social unrest in Paterson, New Jersey was palpable. Thousands of Dutch and Italian immigrants flocked to the city, hoping for a job in Paterson’s famous silk mills. The burgeoning population ushered women into the workplace, grew suffragist sympathies, and produced an anarchist movement. In this charged environment, Jennie Bosschier, a 17-year-old Dutch immigrant and mill worker, was murdered. Sorrow turned to shock when four wealthy, influential citizens were accused of killing her. The resulting criminal trial held the city - and eventually the nation - transfixed.

A Discourse Analysis of News Translation in China Liang Xia 2019-01-21 A Discourse Analysis of News Translation in China offers hitherto underexplored inroads into Chinese

media through insider perspectives on a unique Chinese newspaper, Cankao Xiaoxia which not only is the largest circulating newspaper in China but is also unique in that its news consists entirely of stories translated from foreign news sources. The size of the publication, the unique nature of the publication, and the view from the inside of such an organization gathered through interviews with its employees give this proposed book a highly unique perspective that will inform our understanding of the workings of Chinese media in important ways.

New Hope for the Poor Pieter Verster

2012-02-01 Empowering the poor remains an essential part of the Christian Gospel. The way in which the absolute poor in informal settlements in Africa can be empowered by the message of the Bible, needs to be researched. During research completed in informal settlements near Bloemfontein, Free State Province, South Africa, it has been established

that the churches present in the situation are best equipped to relate to the poor and interpret the message of the Bible to them.

Why pamper life's complexities? Sean Campbell 2013-01-18 For five short years in the 1980s, a

four-piece Manchester band released a collection of records that had undeniably profound effects on the landscape of popular music and beyond. Today, public and critical appreciation of The Smiths is at its height, yet the most important British band after The Beatles have rarely been subject to sustained academic scrutiny. Why pamper life's complexities?: *Essays on The Smiths* seeks to remedy this by bringing together diverse research disciplines to place the band in a series of enlightening social, cultural and political contexts as never before. Topics covered by the essays range from class, sexuality, Catholicism, Thatcherism, regional and national identities, to cinema, musical poetics, suicide and fandom. Lyrics, interviews, the city of Manchester, cultural iconography and the cult of Morrissey are all considered anew. The essays breach the standard confines of music history, rock biography and pop culture studies to give a sustained critical analysis of the band that is

timely and illuminating. This book will be of interest to scholars and students in the fields of sociology, literature, geography, cultural and media studies. It is also intended for a wider audience of those interested in the enduring appeal of one of the most complex and controversial bands. Accessible and original, these essays will help to contextualise the lasting cultural legacy of The Smiths.

Literary Brooklyn Evan Hughes 2011-08-16 For the first time, here is Brooklyn's story through the eyes of its greatest storytellers. Like Paris in the twenties or postwar Greenwich Village, Brooklyn today is experiencing an extraordinary cultural boom. In recent years, writers of all

stripes—from Jhumpa Lahiri, Jennifer Egan, and Colson Whitehead to Nicole Krauss and Jonathan Safran Foer—have flocked to its patchwork of distinctive neighborhoods. But as literary critic and journalist Evan Hughes reveals, the rich literary life now flourishing in Brooklyn is part of a larger, fascinating history. With a dynamic mix of literary biography and urban history, Hughes takes us on a tour of Brooklyn past and present and reveals that hiding in Walt Whitman's Fort Greene Park, Hart Crane's Brooklyn Bridge, the raw Williamsburg of Henry Miller's youth, Truman Capote's famed house on Willow Street,

and the contested streets of Jonathan Lethem's Boerum Hill is the story of more than a century of life in America's cities. Literary Brooklyn is a prismatic investigation into a rich literary inheritance, but most of all it's a deep look into the beloved borough, a place as diverse and captivating as the people who walk its streets and write its stories.
